

HOPE GROWS CHILD DEVELOPMENT CENTER

It is hard to believe that the Academic school year is almost over. We are happy for them but a little sad as well to see them grow up so quickly. Just a friendly reminder that Summer Camp will start June 21, 2022. For prospective Pre-K graduates, more information will be provided as we get closer to graduation date. We are asking for our Pre-K families to 'save the date' for our graduation day on June 10th. It has been a joy, as well as an experience watching all Hope Grows children grow mentally, physically, socially and emotionally this year.

TEACHERS APPRECIATION WEEK 2022

This month there is a lot to celebrate. During the week of May 2- May 6, we want to thank our teachers for the effort they make to prepare our children for the future. A Teacher Appreciation Flyer and Teacher's favorites lists will be sent out in LifeCubby. Feel free to participate as much as you like. We are so grateful for our amazing teachers!
